Day 2 Task — Spot the Phish

Time needed	Deadline	Where to submit
30 minutes	Before the Day 3 session	Portal → Day 2 → Upload

Below are 10 messages an intern might receive in a normal week. Some are real, some are phishing. Your job: decide which is which, and for every phish, name the red flag that gave it away.

Step 1 — Read the 10 messages

Look at the sender address, the link, the tone and what the message asks you to do.

FedEx: Your parcel is held at our facility due to unpaid customs fee of Rs. 49. Pay now to schedule redelivery: fedex-india-redelivery.com/pay

Step 2 — Fill in the answer sheet

Tick Real or Phish. For each phish write the main red flag (one short line).

#	Real	Phish	Red flag (for phishing only)
1			
2			
3			
4			
5			
6			
7			
8			
9			
10			

Step 3 — Answer two questions (2–3 lines each)

1. Which message would have fooled you a week ago, and why?
2. Message #5 arrives on your phone right now. What exactly do you do, step by step?

How to submit

- One file: Google Doc, PDF, or a clear photo of this sheet filled in
- Must contain: the 10 answers with red flags, and both Step 3 answers
- Upload under Day 2 on the portal before the Day 3 session

Marks (out of 10)

Part	Marks
Step 2 — correct Real/Phish (½ mark each)	5
Step 2 — red flags identified correctly	3
Step 3 — both questions answered with reasoning	2

Counts toward your lab journal (30% of the program grade). Answers will be revealed and discussed at the start of Day 3.
